## **Reach Counseling is Named a Recipient of \$100,000 Funding Grant – Neenah, Wisconsin**

Reach Counseling received an Aurora Health Care Better Together Fund grant this week to expand treatment and support for youth and families affected by abuse. Reach also received funding from the Better Together Fund in 2015.

“We are so grateful for this partnership. The grant will allow us to hire a new trauma therapist and increase the number of children and families able to receive much-needed counseling”, said Lyn Beyer, Executive Director of Reach. “By receiving this grant, Reach is honored to be recognized as one of the leaders in education, treatment and prevention of abuse and trauma”.

The Aurora Health Care Better Together Fund helps community-based providers expand primary care and behavioral health services, as well as sexual assault and domestic violence prevention and treatment programs. Better Together Fund Grants totaled \$5 million in 2016. Learn more at [aurora.org/bettertogether](http://aurora.org/bettertogether).
